

**Tynanne Capley
Memorial Award
Meredith Landy
& Real Me In**

Meredith Landy and Real Me In (Ben) are the winners of the Tynanne Capley Memorial Award. In memory of Tyanne Capley, this award is given to the high point amateur driver in the combined pleasure driving and utility driving classes.

Meredith has owned the 8-year gelding out of Real Bonanza and Frosted Brick for 2 years. She started driving him midway through the 2004 season. Ben is a strong Hunt Seat horse and enjoys the long trot so she felt he would be a good driving horse. Meredith says, "He tries hard and is a solid driving horse." Driving is her favorite class and a fun event for her and Ben. Meredith thanks her trainer Karen Qualls for working with Ben and her.

Meredith has sold Ben and will be showing her new horse Ultimate Bonanza next year. Meredith is looking forward to next year because more and more people are getting into the driving classes.
